PRINCIPLE:

The St. Louis Cord Blood bank works to ensure that participating hospitals are provided all the necessary paperwork and supplies for a cord blood collection.

PURPOSE:

This policy describes the method for delivery of the collection supplies.

POLICY:

1. The St. Louis Cord Blood Bank (SLCBB) will provide cord blood collection supplies to the collection sites.
2. Collection supplies include a prenatal flag and a Collection Kit box.
3. Extra Medical History Questionnaires are also available upon request.
4. Supplies are delivered to hospitals through a combination of courier delivery and weekly deliveries by the nurse coordinator/designee.
5. Each facility has a specific delivery arrangement with the SLCBB.
6. If the stock of collection supplies is low, the facility should call the SLCBB to arrange for delivery of additional supplies: 314-268-2787 or 888-453-2673.
